

23rd Asian-Pacific Weed Science Society Conference

Weed Management in a Changing World

The Sebel Cairns, Queensland, Australia
25 – 30 September 2011

23rd Asian-Pacific Weed Science Society Conference

Conference Destination Announced!

We are pleased to announce that the 23rd Asian-Pacific Weed Science Society Conference (APWSS 2011) will be held at the Sebel Cairns, in North Queensland, Australia from 25 - 30 September 2011.

The Sebel Cairns is located in the centre of Cairns, with fabulous harbour and mountain views from spacious rooms and easy access is to the Central Business District and local attractions.

Cairns is the international gateway to tropical North Queensland, and carries with pride the mantle of the 'safest tropical city in the world'.

Please visit the Conference [website](#) for more information.

Web Hot Special now available!

We are pleased to announce the Asian-Pacific Weed Science Society Conference (APWSS 2011) returns to Australia for the third time in 2011 and will focus on the theme "Weed Management in a Changing World".

There will be presentations on the role of genetically modified organisms in weed management, climate change, water availability, biosecurity, population growth and the utilisation of weeds.

Register now to save over \$200!

We are pleased to offer a special discounted rate of **AU\$599**, which is a saving of over \$200 and offers extreme value to those who register early. This offer is only available **until 8 October 2010**.
